The Pembrokeshire Coast Path traverses along some of the very best British coastline for 300km (186 miles).

Our Pembrokeshire Coast Path tours focus on the most popular - and, in our opinion, the most beautiful - the 90km (56 miles) long Southern section, between Amroth and Pembroke. It offers spectacular coastal scenery, wildlife, charming towns and villages and a landscape rich in maritime, medieval and human industry.

Perfect in every way.
